RACHEL Atteyth 10-A Southland Academy

Have fun

RACHEL,

HEY! Can you believe it? We are going to be Juniors next year! This has really been a fun year. I'm SO glad I am finally 16! It is a lot easier to drive than hitch-hike -- don't you agree? (HAHA) You have made English a little brighter for me this year. You always say something funny to liven things up and you always have a smile on your face. Thanks for cheering me up when I was having a bad day - you are really a very sweet & funny person. You have a great personality. Have a wild time this summer & I'll see you sometime I'm sure (maybe in the library or something?!) STUDY hard for next year - I just know you will!

I Love Ya!

Delia

Rachel,

How's it going? I've really enjoyed this wild and wonderful year with the #1 fool and guess who that is. It's you, Rachel! You are a real trip and I've enjoyed every moment of your awful jokes and your rotten attitude! I really don't know how your mom puts up with you everyday of her life! I'll be prayin' with you! Rachel, you're a wonderful person and a great friend.

I love ya always,
Christy

P.S. Call me sometime & on your summer vacation do you know what long phone calls between friends are?

Rachel,

Don't go and get the Big Head just Because I'm signing your annual. I'm doing just because your friends are paying me too. Just kidding, I couldn't write this and be nice.. I've really enjoyed being in your class because your always making jokes and when they made about you, you don't puff-up like a bullfrog. Well have a nice summer. "Don't Party too much."

SOUTHLAND TURNS 20!

Southland Academy enjoyed a special spirit this year by celebrating the twentieth birthday of the school's founding. With regularly scheduled events, the entire Southland family recognized the two decades of success in academics and athletics. During 1986-1987, over one thousand students, teachers, parents, and friends caught the Southland Academy spirit and paid tribute to the twenty years of excellence.

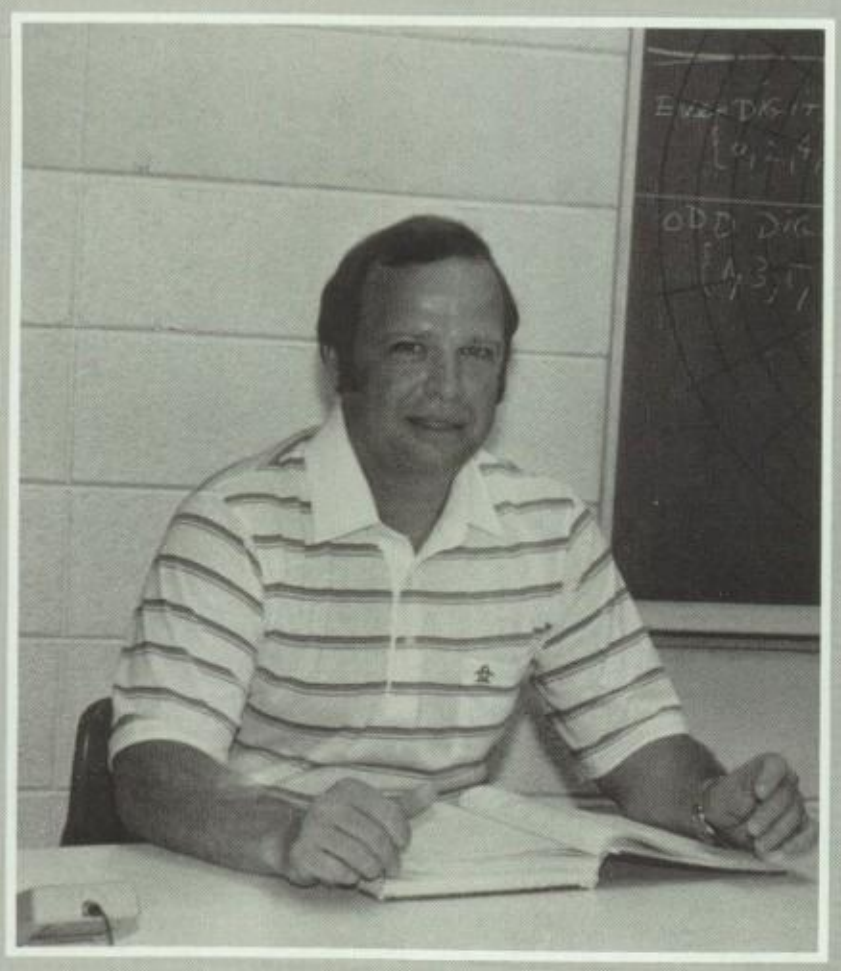
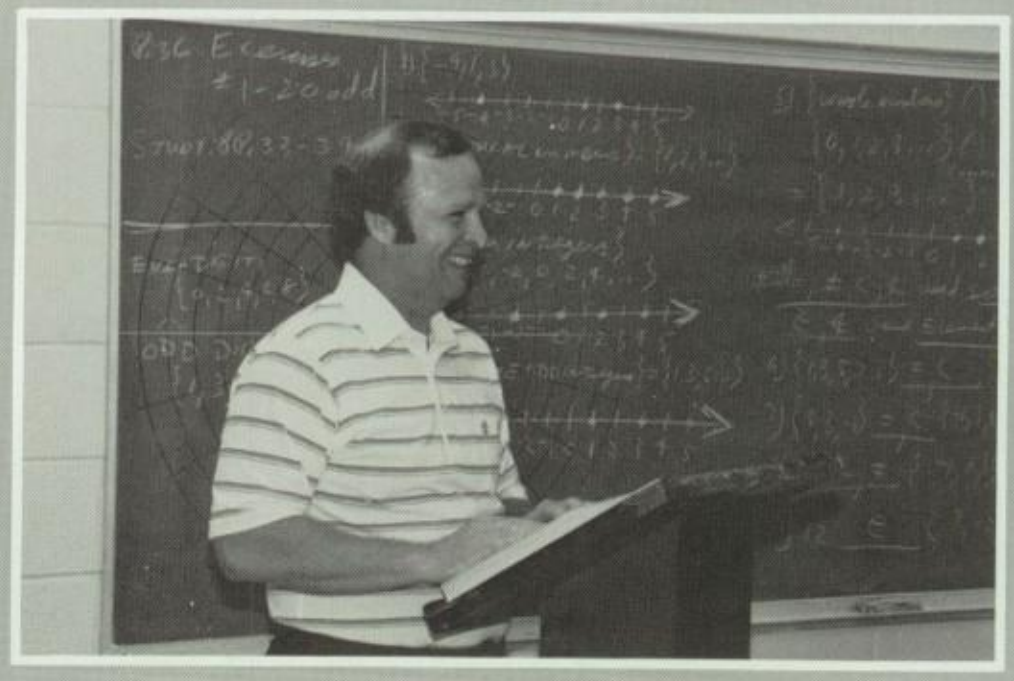
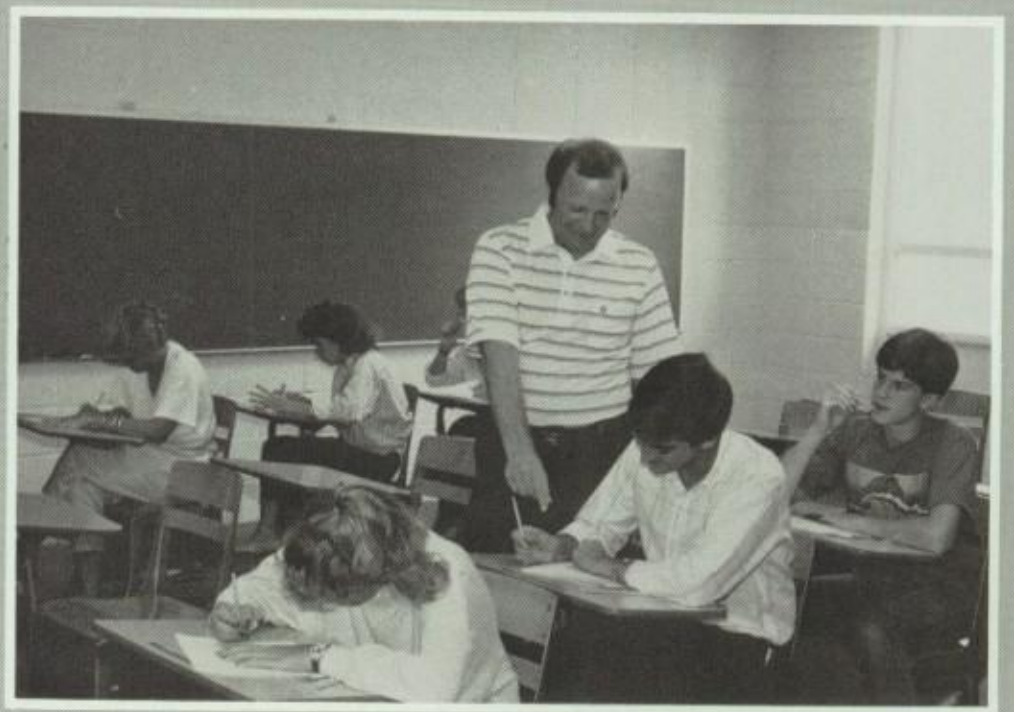
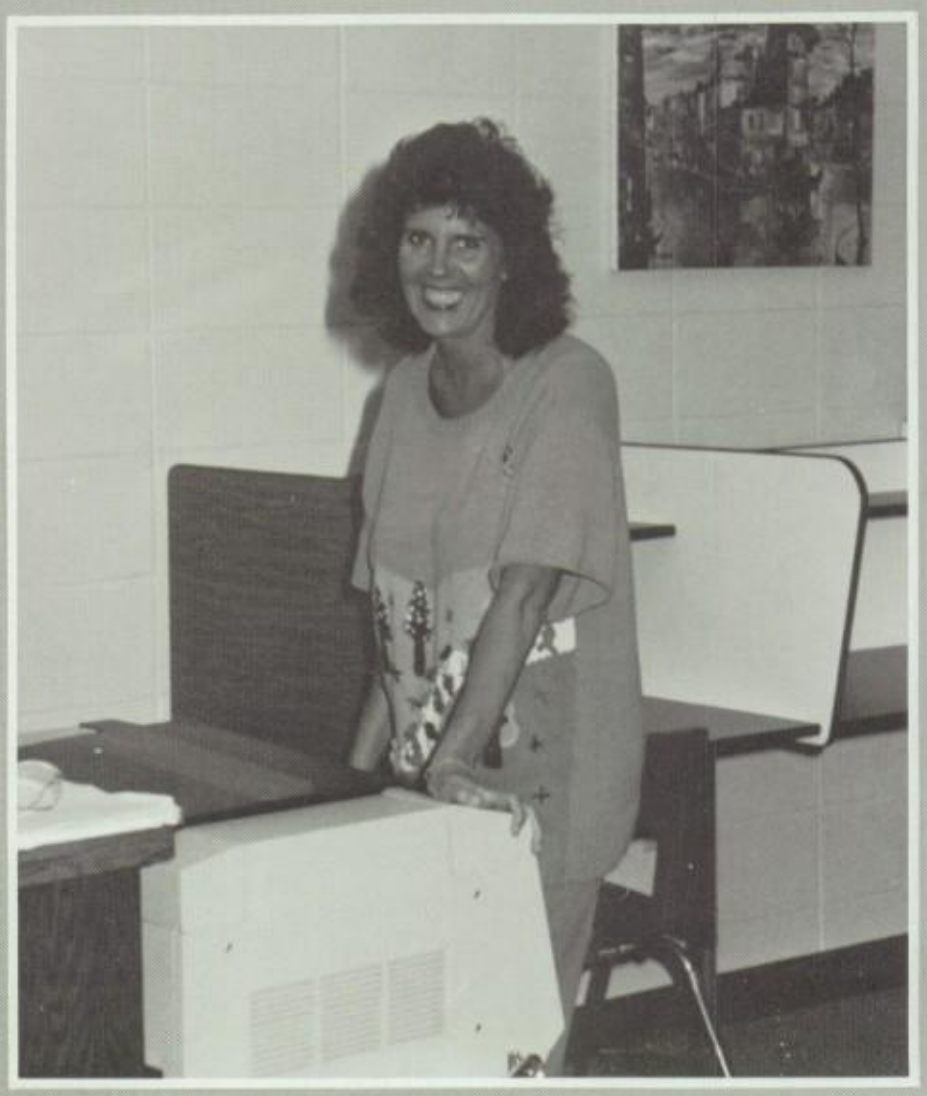
DEDICATION







The Southland spirit is a part of this teacher's life. As our school was founded on honor and truth, this teacher exemplifies in class and at extracurricular events the proud tradition of our school. Whether it is persistently explaining a procedure or tirelessly working with students, this teacher is always patient and kind. Softspoken and with extra doses of spirit, he not only gives fifty-five minutes of in-class time to his students, but he is always supportive and involved in athletics as well. Even though he caught the spirit fifteen years ago, he keeps it ever present in his daily work at Southland Academy. It is because we admire him as an excellent teacher who demands excellence from his students that we proudly dedicate the 1987 RAIDER to you, Coach David Moore.



DEDICATION

The Southland spirit became a part of this teacher's life before there was an opportunity to teach. In the early days of our Academy when the course offerings were not as varied as today, she saw an opportunity to show her spirit by helping the school expand the curriculum. In a time when many students were having difficulty in other classes, her subject became popular and enjoyable. Her love of her subject and her ability to make her students love it is evident to those who have a chance to see her at work. Her creative spirit is contagious, and her students become excited and positive about learning a subject that is totally foreign and different. It is because of her ability to make us understand a difficult language and because of her understanding of all students that we proudly dedicate the 1987 RAIDER to you, Mrs. Ruth Jones.

I Love YA'
Delia

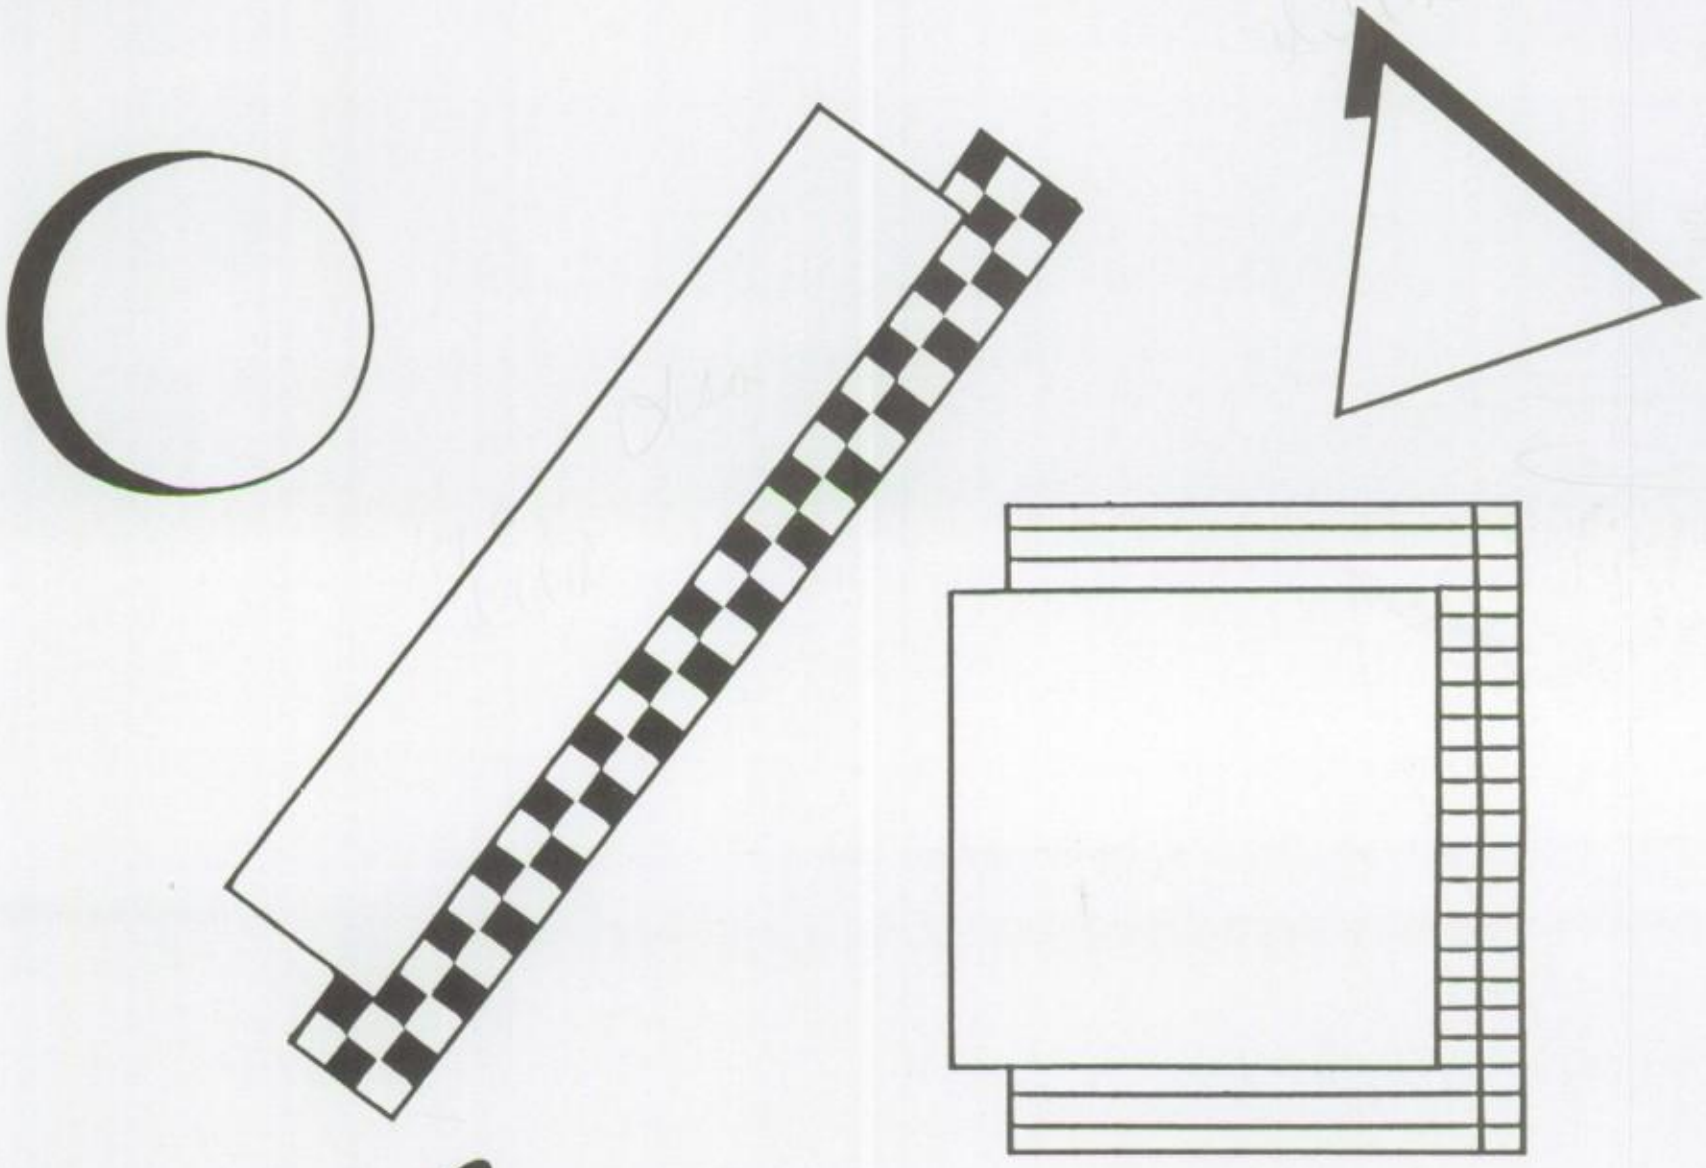
State Champs



Raider Spirit `87

catch it!

OFF TO SAVANNAH . . .

On November 14, 1986, the Southland Golden Raiders traveled to FPD Stadium in Macon to play the Mt. De Sales Cavaliers in the Quarter Finals of the State Playoffs. The Raiders knew they had to win to stay alive — as is true in every playoff game. The team was familiar with the must win situation because the previous week they HAD to win over a tough Riverview team to get to the finals. This unexpected situation came about when the Southwest Ga. Warriors beat Southland by a score of 15-14 on Halloween Night and clinched the 1AAA Region Championship. Consequently, Southland went to the playoffs as the No. 2 team from the region; being second was in itself a first.

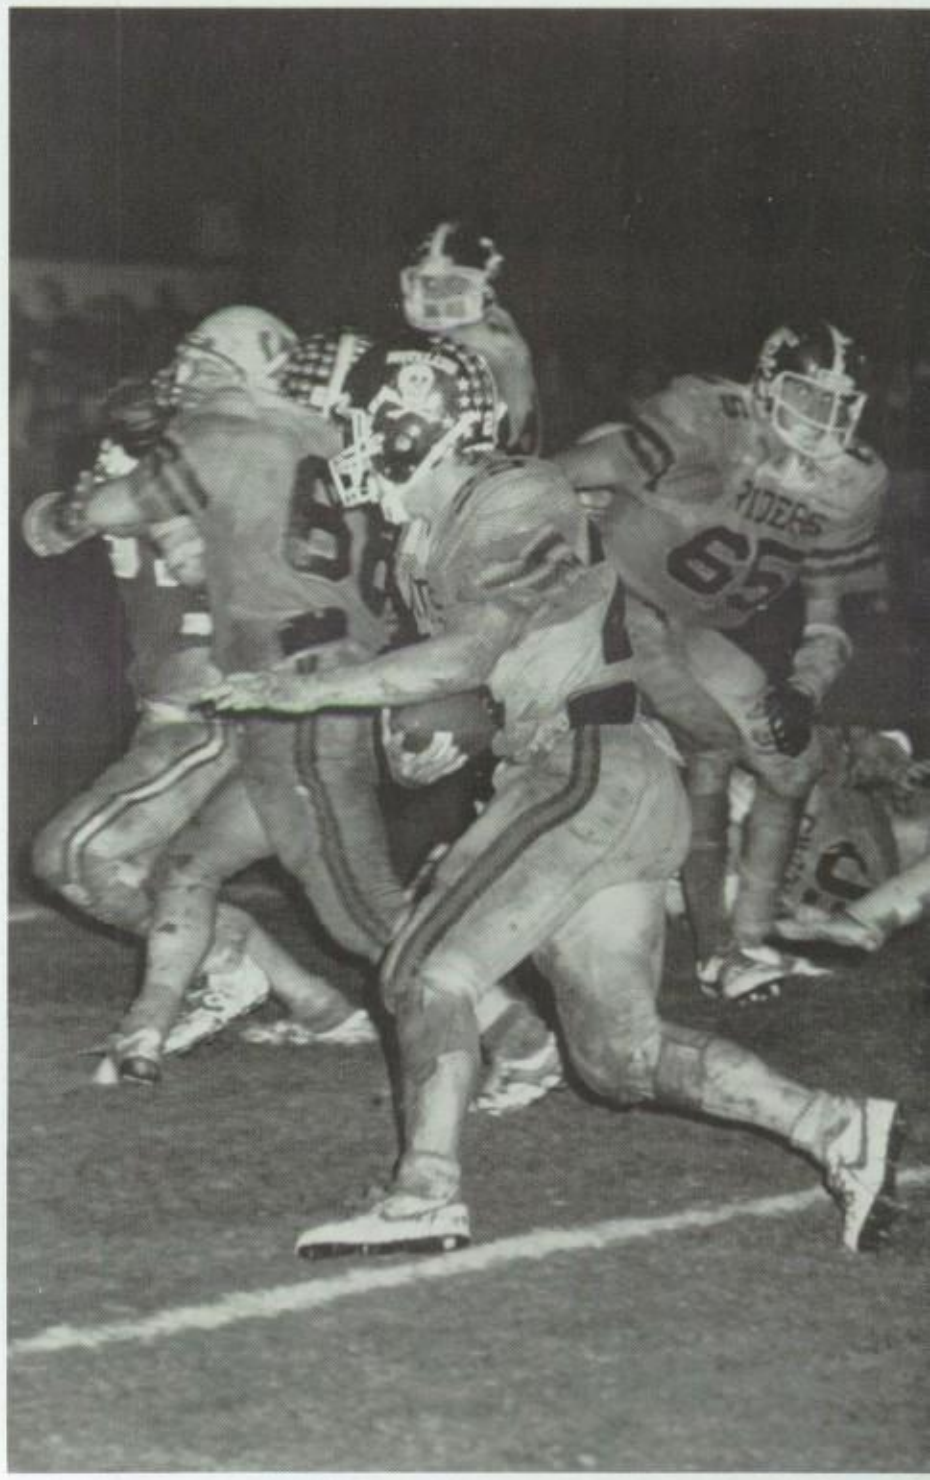
The fans sat in the FPD stands on November 14 sipping coffee and hot chocolate to stay warm. Waiting for the game with Mt. De Sales to begin, many recalled what had happened in that stadium the previous year; the memories were enough to send chills down the fans' spines.

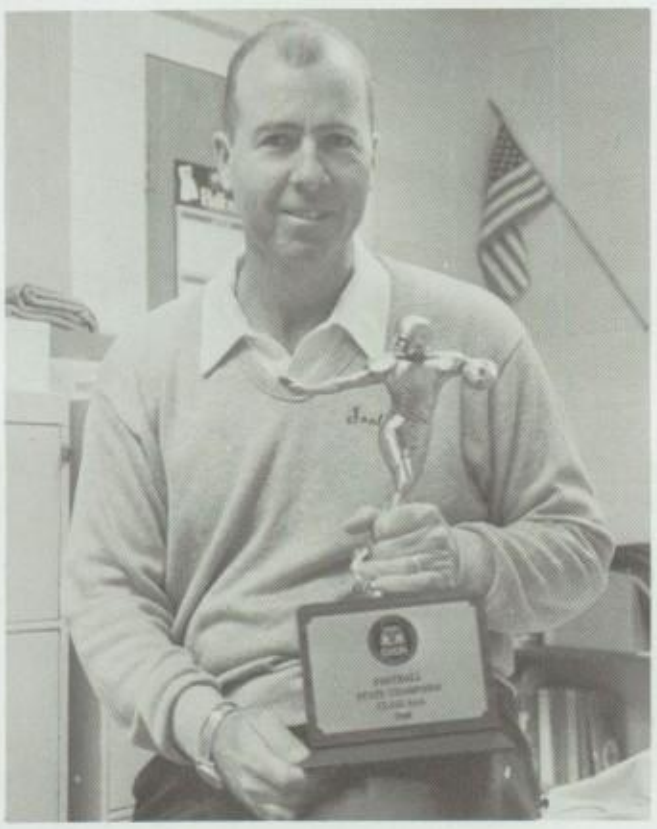
The Raiders were slow to get started, but when things got rolling for them, they were able to defeat the Cavaliers by a score of 27-0. This win sent the Raiders to the Semi-Finals against their old nemesis Savannah Christian.

The game with the Red Raiders was played in Savannah on November 21. Fans and supporters traveled in two chartered buses and individual cars. It was a game few wanted to miss. The outcome proved the Golden Raiders were on a roll and would not need the casket the Red Raiders had provided for them. Southland defeated Savannah Christian by a 13-0 score.

The final State Championship game found Southland versus the Westfield Hornets. This game was played Thanksgiving week-end with most fans devoting the Friday following Thanksgiving to getting ready for the trip to Perry. Southland knew what it was like to be in the State Championship Game; they were there for the fifth time. Rain and drizzle fell constantly on game day. By kick off the field was a muddy mess, but the rain had stopped and did not start to fall again until after the game was over. By the end of the game, however, there was no dampening the Southland spirit as the Raiders had defeated the Westfield Hornets by a score of 14-7 to capture the first ever State Football Championship!

Congratulations, Raiders!





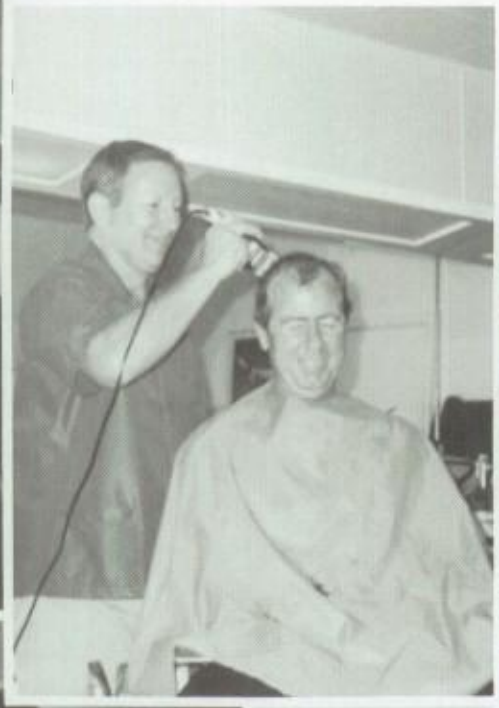
"What are your feelings on winning the first ever State Football Championship for Southland Academy?"

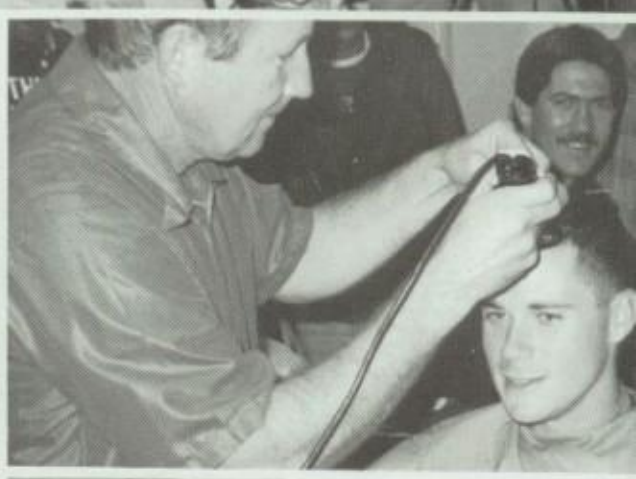
Head Coach Loveard McMichael: "It's a great feeling to know that we have reached a goal that has slipped by for so many years. The 1986 Raider football team will always be remembered for being the first team to win the State Title. A lot of blood, sweat, and tears has gone into this championship. It makes all the hard work of past teams seem worthwhile.

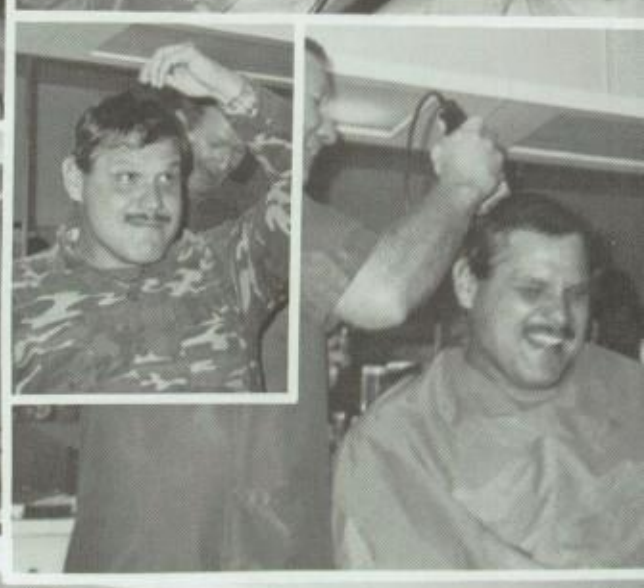
The support of the cheerleaders, band, parents, faculty, and administration played an important part of this championship year. Thank you, Raiders, for making the 1986 football season the best ever."

Coach Don Marchman: "I have a lot of feelings about winning the State Championship this year. First of all, I will always have a special place in my heart for the 1986 Raider football team! They are one of the finest groups of men I have ever worked with! Each and every player contributed during the season, and it was truly a great team effort by our players. Second, I feel that this championship is shared by all of the cheerleaders, and everyone who has pulled for the Raiders for so long. Winning the state title is the ultimate goal in high school football, and I am sure that the 1986 game is one that will always be remembered by Southland."

Coach Craig Rhodes: "It was a great feeling winning the State Championship. It is something that as long as I live I will never forget. I am really happy for the players, parents, students, and all the supporters of Southland Academy. They have waited a long time for a State Championship, and now we all have one — 1986, the year of the Raiders."







NEVER MAKE PROMISES YOU CAN'T KEEP!

Rachel,

Where shall I begin? First, it's been fun getting to know you this year. (Even though sometimes during 4th period we used to get mad at each other) Mrs. Jones just didn't like our class. I can't believe I'm about to graduate. Just think, you have 2 more years at "The Academy". I hate it for you, Rachel! This has really been one fun year. Take care Rachel and try hard your last two years of high school. They will fly by! Keep in touch and try to keep everyone in line at Southeard.

Love Ya Lots,
Susan Eakes

Rachel,

We are almost juniors, and we still act 5 years old. Who cares?? I know you are sick of Jeff always bothering you. He does everybody!! But he's still sweet. Wish me luck next year! We have known each other for a long time, and you are still sweet + funny. Stay that way, and have a great summer!! I'm sure I'll see you down the street (or out walking). Maybe we will have more classes together next year!!

Love ya!!
Laura

Rachel,

Hey. I've told you I don't know how many times that I hate to sign annuals but since you insist on knowing me I guess I have to. We've had some pretty good times this year. Trying to pass Geometry knowing its hopless. Maybe we will have Geometry together again next year.

Love,
Lissy

Rachel,

It has really been great getting to know you better this year. We have really had some great laughs during typing and lunch. Hope you have a wonderful summer and stay out of trouble. See ya later.

Love,
Dina

Rachel,

This is a perfect spot for me to write! I hope that your year has been fun- mine's been pretty good! It was great having you in my phy. sci. class- the most fun class of the day! Ha!! The science fair was fun this year! Right!! You better come see me at the video store -!! okay? I'll be hard at work!!

Oh, yeah, P.E. was a real blast too!!! Well, stay sweet. Try to behave this summer!!

Love ya,
Dawn Satterfield

Rachel,

Well, how is my favorite person in the world (well almost favorite) Does that sound familiar? I can't believe that this year is almost over! It has been fun taking you to school every day (you know that I just hate taking you everywhere, I do it for the money! Just kidding!) So bad we didn't have any classes together, but we saw each other enough anyway! Ha! Ha! I know I'll see you this summer! We are going to have to make it a habit to walk everyday! Be good!

Love always!
Kristin

Hi Rachel.
It would have been nice if we had had more classes together well maybe next year. I sure hope so. I love joking around with you! You just have to pick on me don't you? I hope I see you around this summer! I really am glad we got to be friends this year. Don't do anything too stupid! See ya next year in homeroom

Mitch

Rachel,
Hey! What's up? I know you think I've been mean to you all year because Marci told me that I better be nice. I'm sorry if I haven't been really didn't mean to be a total jerk. But I'm sure you can overlook that ATE. I'm glad you've been a good year but I'm glad it's almost over. I'm getting tired of school. Well, that's about it. Tell Marci I said "Hey"!

Love ya,
Stef Hutton

Rachel,
It's been a really great year! I've enjoyed sitting in front of you in homeroom! You've got a great sense of humor and always manage to cheer me up. Have a great summer and stay out of trouble.

Love, Sheila ☺

Rachel,
This year has really gone by. Hasn't it? It's been a blast. I had fun bugging you all the time. Thanks for listening to all my problems and not being able to help me solve them. (Just kidding) Maybe I'll see ya over the summer. Catch ya later!

Love ya,
Carmen

Rachel,
I hope you have had a
great year like I have!
I'll think about you
next year when I'm a
senior & you are a junior!
Im just kidding! I had
a fun being in your
5th & P.E. class & getting to
know you better. Have a
great summer, maybe I'll
see ya! Best of luck! (Hee.)
Love Ya.
Lara

How are u doin?
I guess I'd write upside
down in your annual because-
I don't know why I did. Anyways,
I know I kid you a lot but its
only because I like u & I know you
can take it. I hope we have some
classes together next year - I know
we would have fun. Don't forget
me this summer - we'll have
2 do something 4 sure. Have
a great summer because I am.
Me
RACHEL

Rachel,

Its been great having you in some of my classes. You are a great friend and a good person to joke around with. During the summer you better come see me so I can hear the latest gossip. Have a great summer but try to stay out of trouble if its possible.

Love Ya!
Beverly
